

LOCKBACK POCKET KNIVES

Lightweight
& Rugged

**KLEIN
TOOLS®**

Lockback Pocket Knives

Make the cut comfortably with high-quality lockback pocket knives. Compact and durable, these lockback knives fit comfortably in your pocket and open quickly and safely with one hand thanks to a textured thumb stud. Corrosion-resistant, premium quality blades are made of high-quality AUS 8 stainless-steel for long life. These lightweight, multi-purpose knives offer multiple blade styles to meet your cutting needs.
