Klein Tools® Launches Next Generation of Hearing Protection with Situational Awareness Bluetooth Earmuffs

Sep. 12, 2023 (Lincolnshire, Ill.) – Klein Tools (www.kleintools.com), for professionals since 1857, introduces the latest addition to the expanding line of jobsite hearing protection, the Situational Awareness Bluetooth® Earmuffs, ideal for loud environments and communication on the jobsite.

Situational Awareness Bluetooth® Earmuffs (Cat. No. AESEM1S)

- Noise Reduction Rating (NRR) of 23 decibels
- SMART SENSE allows users to safely listen to their surrounding environment & clearly communicate with co-workers
- Seamlessly stream high quality stereo audio via Bluetooth® 5.1
- Vented headband provides cool comfort
- Environmental noise cancelling microphones eliminate background sounds for crystal clear calls in loud environments
- 25 hours of runtime on a single charge
- Includes storage bag & USB-C charging cable

“To safely work in harmfully loud environments, skilled trade professionals still need to communicate,” says Anthony Pawula, product manager at Klein Tools. “Our new Situational Awareness Bluetooth Earmuffs not only keep users continuously aware of their surroundings, but also allows for clear communication. The latest Bluetooth technology provides an immersive audio experience while SMART SENSE prolongs your hearing by dampening high impact, impulse noises.”
