Klein Tools® Expands Line of Jobsite Audio Accessories with ELITE Earbuds

October 31, 2023 (Lincolnshire, Ill.) – Klein Tools (www.kleintools.com), for professionals since 1857, introduces new ELITE Bluetooth® Jobsite Earbuds, designed to protect and prolong your hearing in loud environments while delivering clean, balanced audio, with a built-in LED screen to conveniently check the charge status of both the earbuds and case.

ELITE Bluetooth® Jobsite Earbuds (Cat. No. AESEB2)

- Noise Reduction Rating (NRR) of 25 decibels with memory foam tips
- Immersive audio experience featuring rich bass, clear mids and crisp treble
- Capacitive touch with intuitive controls
- 8-hour runtime on a single charge; 24 hours with case
- Built-in LED screen (on charging case) displays charge status of earbuds and charging case
- Includes replacement tips & USB-C charging cord

“Overexposure to loud noises, which is common on jobsites, is one of leading causes of hearing loss,” says Anthony Pawula, product manager at Klein Tools. “Klein Tools’ new ELITE Bluetooth® Jobsite Earbuds feature an NRR of 25 decibels and hands-free calling, making them a perfect jobsite solution by preventing premature hearing loss and keeping you connected. On top of that, instantly check the charge status of both the earbuds and case using the built-in LED screen without having to worry about your earbuds dying unexpectedly.”
