## Klein Tools® Launches Step Drill Bits in Two New Premium 3-Piece Kits

**January 30, 2024 (Lincolnshire, Ill.)** – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, introduces two new Premium Step Drill Bit Kits, giving professionals multiple options to meet their jobsite needs.

### Step-Drill Bits

- Step bits are coated with aluminum titanium nitride and are 10 times more durable than steamed black oxide coating for longer bit life
- Laser markings are easy to read for quick size identification
- The compact, modular case comes with cutting oil and is designed to nest neatly within MODbox™ toolboxes and on the MODbox™ Case Adapter Side Rail Attachment
- For use on steel (up to 16 gauge), wood, plastic, and aluminum
- Fast-starting, non-walking drill tip

### Premium Electrician's Quick Release Step Bit Set, 3 Piece (Cat. No. QRSTSPRO)

- Impact rated shaft allows for use with impact drivers and standard drills
- Double spiral flute removes chips for faster cuts and drilling
- Quick-release, 1/4-Inch hex shank provides a firm, positive grip and won't spin out in the drill

### Premium Electrician's 3/8-Inch Hex Step Bit Set, 3 Piece (Cat. No. KTSBSPRO)

- Double, straight flute removes chips for clean cuts and drilling
- Durable, 3/8-Inch hex shank provides a firm, positive grip and won't spin out in the drill

“Klein Tools constantly looks to adjust our offerings to meet the needs of trade professionals,” says Amina Nunn, product manager at Klein Tools. “With these new Step Bit Sets, we’ve designed two options, one for faster cuts and drilling, and one for cleaner cuts and drilling, to ensure that pros can use the bits in a way that works best on their projects. Both sets feature bits coated with aluminum titanium nitride for long life, easy to read markings, and cases that fit in Klein’s MODbox™ modular system.”

### About Klein Tools

Known by trade professionals worldwide as a premier manufacturer of hand tools, Klein Tools is a family-owned and operated company. Since 1857, Klein Tools has prided itself on designing, developing and manufacturing a wide variety of best-in-class, precision Made in the USA products including pliers, wire strippers, screwdrivers, cutting, crimping tools, and more.
