## Klein® Tools Cable Skinning Utility Knife with Replaceable Blade Saves Time on the Job

May 30, 2017 (Lincolnshire, Ill.) – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, introduces the [Cable Skinning Utility Knife with Replaceable Blade](#) to help power through difficult cable skinning tasks. This high-quality, durable lockback utility knife offers a replaceable sheepsfoot blade for fast and convenient replacement on the job.

### Cable Skinning Utility Knife (Cat. No. 44218)

- Lockback knife is as solid as a fixed-blade knife
- Replaceable 440A Stainless Steel sheepsfoot blade secures in place with a captive screw
- Rubberized handle for a secure grip
- Thumb stud for easy opening
- Pocket clip for storing and easy access
- Replacement sheepsfoot blades available ([Cat. No. 44219](#))

“With electricians using their own pocket knives for cable skinning, many experience damaged blades and need to spend a great deal of time sharpening,” says Laura Ranieri, senior product manager at Klein Tools. “We know how important time is to electricians on the job so we developed a convenient utility knife that can keep up with the rigorous demand of cable skinning and requires no blade sharpening. With a captive screw, the Klein Tools’ Cable Skinning Utility Knife offers replacement blades that are as solid as a fixed-blade knife so that electricians can get back to work.”
