## **Klein Tools' New Tradesman Pro™ Tool Gear Backpack Makes Organization on the Job Easier**

**Dec. 14, 2017 (Lincolnshire, Ill.)** – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, introduces the Tradesman Pro™ Tool Gear Backpack with 35 variously sized pockets. This new tool bag is just the right size to fit the tools, gear and parts tradespeople need to stay organized on the job.

### **Tradesman Pro™ Tool Gear Backpack (Cat. No. 55475)**

- 35 variously sized pockets to organize jobsite essentials easily
  - Tall interior pockets perfect for long screwdrivers
  - Covered pockets designed for meters, testers and leads
  - Three quick-access exterior pockets
  - Upper pocket holds cell phones, keys, etc.
  - Front zipper pocket has space for pencils and small items
- Bright orange interior makes finding tools easier
- Zipper design allows wide-open access
- Shoulder straps with extra padding for easy carrying
- Made of durable 1680d ballistic weave material
- Bottom is constructed of a diamond-textured coated material to increase toughness

“Tradespeople are often faced with the unnecessary convenience of lugging large, heavy bags full of tools to-and-from the jobsite,” says Linda Rolfe, senior product manager at Klein Tools. “This lightweight, durable addition to Klein’s line of Tradesman Pro tool organizers offers the perfect solution for professionals to carry the specific set of tools needed for the day’s tasks.”
