## Klein<sup>®</sup> Tools Increases Cutting, Crimping and Drilling Power with Battery-Operated Tools

**Feb. 19, 2018 (Lincolnshire, Ill.)** – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, brings over 160 years of quality, durability and expertise to a new line of battery-operated tools, including a variety of cable cutters, crimpers and an impact wrench. Engineered to help linemen work more efficiently, these tools have the performance and durability professionals expect from Klein – powered by DeWALT<sup>®</sup> lithium-ion batteries.

### Battery-Op 7-Ton Cable Cutter and Crimper Kit (Cat. Nos. BAT20-7T14, 7T5)

- 7-ton hydraulic force cuts and crimps a larger capacity faster than similar models on the market
- One tool with six different heads depending on what the job requires
- Cuts and crimps copper, aluminum, ACSR, EHS Guy wire and Grade 8 steel bolts  
**(Cat. No. BAT20-7T14)**
  - Includes tool, three cutting jaws, three crimping jaws, two batteries, charger and bag
- Cuts 3/8" EHS Guy Wire and Grade 8 bolts (**Cat. No. BAT20-7T5**)
  - Includes cutting jaw, two batteries, charger and bag
- Green light indicator confirms when a good crimp has been made
- Two work lights to help illuminate darker areas
- Compatible with industry standard W-style dies
- Replacement blades and additional 7-Ton Cable/Cutter and Crimper products sold separately
- Powered by DeWALT 20V lithium-ion batteries
- DeWALT is a registered trademark of the Black & Decker corporation

**Battery-Operated 12-Ton Crimper Kit (Cat. No. BAT20-12T1651)**

- 12 tons of force crimps copper, aluminum and ACSR
- 360-degree rotating head provides flexibility in positioning
- Green light indicates full pressure to confirm when a good crimp has been made
- Four working lights to help illuminate dark work areas
- Compatible with industry standard U-style dies
- Safety lockout switch for extra safety on the job
- Includes tool, two batteries, charger and case
- Powered by a DeWALT 20V lithium-ion battery
- DeWALT is a registered trademark of the Black & Decker corporation

**Gear-Driven Cable Cutter Kits (Cat. Nos. BAT20-G1, G10, G2, G7)**

- Cuts copper and aluminum or ACSR cable in both open and closed-jaw styles
- Closed-jaw style provides higher cutting capacity
  - Cuts up to 600 MCM copper, 1500 MCM aluminum and 1590 MCM ACSR cable ([Cat. No. BAT20-G1](#))
  - Cuts 750 MCM copper and 1500 MCM aluminum cable ([Cat. No. BAT20-G10](#))
- Open-jaw style is ideal when working in tight spaces
  - Cuts up to 400 MCM copper, 900 MCM aluminum and 795 MCM ACSR cable ([Cat. No. BAT20-G2](#))
  - Cuts up to 600 MCM copper and 1000 MCM aluminum cable ([Cat. No. BAT20-G7](#))
- Safety lockout switch for extra safety on the job
- Two work lights to help illuminate darker areas
- Gear-Driven Cable Cutter Kits include tool, two batteries, charger and bag
- Replacement blades available
- Powered by DeWALT 20V lithium-ion batteries
- DeWALT is a registered trademark of the Black & Decker corporation

**Battery-Operated Impact Wrench Kit, 7/16" (Cat. No. BAT20-7161)**

- Up to 500 ft-lbs of maximum torque makes driving fasteners into wood, metal and concrete easier
- 7/16" (11mm) quick-release chuck increases efficiency
- 0-1900 RPM variable speed trigger provides better control
- Safety lockout switch for extra safety on the job
- Brushless DC motor provides reliable drilling action and a longer tool life
- Includes batteries, charger and bag
- Powered by DeWALT 20V lithium-ion batteries
- DeWALT is a registered trademark of the Black & Decker corporation

"Klein's new line of battery-operated tools helps linemen work more efficiently by reducing time and effort spent on each task," says Kozeta Topchian, product manager at Klein Tools. "The complete product line is built to be Klein tough, standing up to the jobsite challenges professionals face every day. Powered by DeWalt lithium-ion batteries, these tools help get the job done with greater cutting, crimping and drilling power than alternative models."
