Klein® Tools Helps Keep Essential Items Handy with New Datacom Installation Kits

May 10, 2018 (Lincolnshire, Ill.) – Klein Tools (www.kleintools.com), for professionals since 1857, introduces the Twisted Pair and Coax Cable Installation Kits, the new go-to tool kits for professionals working on datacom installations.

Twisted Pair Installation Kit (Cat. No. VDV026-212)

- Includes the tools needed to strip, crimp and punch down to connect modular cables, plus a zippered pouch to help stay organized
- Twisted Pair Radial Stripper (Cat. No. VDV110-261) features a durable, high-carbon steel blade that automatically adjusts to different cable diameters to avoid damaging conductors
- Ratcheting Modular Crimper (Cat. No. VDV226-011) is an all-in-one tool that cuts, strips and crimps data cables
- 110-Type Punchdown Tool features Klein’s exclusive DuraBlade™ precision cutting edge for clean, accurate wire termination
- Includes six Modular Data Plugs, RJ45-Cat5e
  - Additional connectors sold separately (Cat. No. VDV826-603)

Coax Cable Installation Kit (Cat. No. VDV026-211)

- Kit includes everything needed for preparing and connecting coax cables with F-Connectors and a Zipper Pouch to help keep components together
- Klein-Kurve® Multi-Cable Cutter (Cat. No. 63020) is made in the U.S. and features precision, shear-type cutting blades and double-dipped comfort grips
- Coax Cable Radial Stripper (Cat. No. VDV110-061) enables precise, accurate cable stripping with 2-level, one step prep and durable, high-carbon steel cutting blades
- Compact Compression Crimper (Cat. No. VDV212-008SEN) crimps compression F-Connectors to coaxial cable and allows quick, easy insertion and removal of cable and connector
- Includes six Universal F-Compression Connectors
  - Additional connectors sold separately (Cat. No. VDV812-606)

“Whether you are just beginning a career in the trades or are an experienced Journeyman, Klein’s new Twisted Pair and Coax Cable installation kits can help you stay organized and save time on the job,” says Karen Alpan, product manager at Klein Tools. “These kits include all of the tools needed to complete datacom installations, so tasks like stripping, crimping and punching down modular cables, as well as preparing and connecting coax cables, can be completed more efficiently.”
