# Klein Tools'® New Vinyl Storage Line Increases Visibility, Protects from the Elements

**Nov. 6, 2018 (LincoInshire, III.)** – Klein Tools (<a href="www.kleintools.com">www.kleintools.com</a>), for professionals since 1857, introduces a new bright orange vinyl storage line, which includes the Small Aerial Apron, Lineman Duffel Bag and two Vinyl Buckets. The product line's increased visibility and protection from the elements enables line workers to stay focused on getting the job done right, not wasting time searching for their tools.

All four products pictured above feature:

- Bright orange exterior to increase visibility
- Water-resistant vinyl to protect against the elements

### Small Aerial Apron (Cat. No. 51828)

- Eight pockets and one larger pouch to fit needed hand tools perfectly
- Compact size makes everyday storage easier
- Tool pouch reinforced with heavy-duty rivets to increase durability
- Swivel snap hook helps attach and organize tools
- Aerial hooks sold separately (Cat. No. 5144H)

### <u>Lineman Duffel Bag (Cat. No. 5216V)</u>

- Spacious interior makes finding tools easier
- Drain holes help minimize water buildup
- Mesh strips keep bag aerated so work clothes and equipment can stay dry
- Web straps extend around the bag for extra support
- Versatile handles are large enough to carry duffel bag like a backpack

## Vinyl Buckets with Swivel Snap (Cat. Nos. 5109SV, 5109CSV)

- Load rated for up to 100 pounds (45kg)
- Web handle extends down the sides of the bucket for added strength
- Swivel snap hook for hoisting
- Black molded polypropylene bottom stands up to harsh jobsite demands
- Zipper-closing top keeps tools safely inside (model 5109CSV only)

"For over 160 years Klein Tools has remained committed to American manufacturing," says Vanessa-Rose Amaya, associate channel sales specialist at Klein Tools. "Our new bright orange vinyl storage product line is proudly manufactured right here in Fort Smith, Arkansas, to provide line crews with the durability needed to stand up to harsh jobsite demands. Their bright orange, water-resistant exterior increases visibility and protection from the elements, helping line crews safely store their tools and equipment day-in and day-out."
