For Immediate Release

Have Yourself a Merry Tradesperson’s Christmas with Klein Tools® Holiday Gift Guide

Nov. 12, 2018 (Lincolnshire, Ill.) – Klein Tools (http://www.kleintools.com), for professionals since 1857, understands the struggles associated with finding the perfect holiday gifts for the most important tradespeople in your life. Luckily, the company’s holiday elves have made a list – and checked it twice – and it’s packed full with the most innovative and efficient gifts perfect for all tradespeople this holiday season. So grab some hot cocoa and settle in for Klein Tools’ Annual Holiday Gift Guide, with prices suitable for every budget and jobsite solutions for use across all trades.

- **Rechargeable Auto-Off Headlamp**
  - Auto-sensing technology turns headlamp off after three minutes in bright light
  - Light can easily be removed from strap bracket for recharging via USB port
  - Slim pivoting mount allows up to a 64-degree lighting angle
  - Silicone strap keeps headlamp secure on a hardhat

- **7-in-1 Nut Driver**
  - Seven interchangeable sizes with color bands for easy identification
  - Strong, rare-earth magnets securely hold nuts and bolts in place
  - Heavy-duty handle with wrench-assist exceeds torque performance of regular nut drivers

- **Tradesman Pro™ Magnetic Wristband**
  - Strong, rare earth magnets keep small parts close at hand
  - Secure, adjustable hook and loop closure fits most wrist sizes
  - Contoured shape provides a comfortable fit for all-day use

- **Hybrid Pliers**
  - Multi-purpose tool strips, crimps and cuts, helping to save time and lighten tool bags
  - High-leverage design increases cutting power
  - Wide knurled head grabs and twists wires with ease
  - Full length, induction-hardened knives cut hard wire

- **Dual-Range Non-Contact Voltage Tester with Laser Pointer**
  - Provides non-contact determination of AC voltage across various jobsite applications
  - Dual-range measurement modes detect voltage from 70 to 1000V AC or 12 to 1000V AC
  - Visual and audible alerts sound at greater frequencies when sensing higher voltages and/or closer proximities
  - Bright, integrated laser pointer helps identify objects of interest at a distance
