## Klein Tools® Introduces New Safety Vest to Keep Professionals Seen While Working

**May 21, 2020 (Lincolnshire, Ill.)** – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, introduces the High-Visibility Reflective Vest to its growing line of [safety products](#). The breathable lightweight vest enhances visibility for trade professionals on the jobsite.

### **Safety Vest, High-Visibility Reflective Vest (Cat. Nos. 60269 (M/L), 60268 (XL))**

- Safety vests meet ANSI/ISEA 107-2015, Type R, Class 2 requirement
- Zipper closure in front for secure fit
- Breathable mesh fabric on back
- 2-inch retro-reflective stripes enhance visibility
- Exterior tab to attach radio clip or other items
- Two large interior pockets measure 6.75" x 8" (17cm x 20cm)
- Exterior pocket measures 6.5" x 4.75" (16.5cm x 12cm)
- Four exterior pockets secure pencils and pocket tools
- Exterior pocket has a hook and loop closure to keep items secure

“When looking at what trade professionals want in a safety vest, other than the obvious visibility, we found a desire for comfort and carrying ability,” said Craig Fransen, senior product manager at Klein Tools. “Our new safety vest not only meets ANSI/ISEA 107-2015, Type R, Class 2 requirements, but is lightweight and breathable so users won’t be weighed down. Large interior and exterior pockets ensure that worksite accessories and gear can be carried easily and will stay secure.”
