## Klein Tools® Expands Safety Line with New Safety Glasses, Multiple Styles

**June 24, 2020 (Lincolnshire, Ill.)** – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, introduces a new generation of safety eyewear, designed and engineered with a focus on safety, comfort and fit for the trade professionals who wear them every day.

### All Models Feature

- High quality polycarbonate lenses tested to the latest ANSI, CSA and military grade (ballistics fragmentation) standards for superior impact protection
- High optical quality lens material ensures uncompromised distortion-free vision
- Anti-fog and scratch resistant coatings minimize moisture build-up and add durability
- UV protection effectively blocks up to 99.9% UV rays
- Soft grip nose piece and temple tips ensure proper secure fit and prevent slippage
- Sleek, modern lightweight designs, built for long-term comfort

Standard Semi-Frame, Narrow Lens

PRO Semi-Frame, Wide Lens

PRO Full-Frame, Wide Lens

### **Standard Semi-Frame, Narrow Lens (Cat. Nos. 60159, 60160, 60171, 60174)**

- Narrow lens, sleek wrap-around design for low profile fit
- Robust single lens design for added rigidity and uniform optical clarity
- Ultra-lightweight semi-frame for long-term comfort

### **Pro Semi-Frame, Wide Lens (Cat. Nos. 60161, 60162, 60172, 60173)**

- Wide lens wrap-around design for extra coverage while maintaining low profile fit
- Wide temple stems for additional side protection
- Ultra-lightweight semi-frame design for long-term comfort
- Includes soft carrying pouch; doubles as a cleaning cloth

### **Pro Full-Frame, Wide Lens (Cat. Nos. 60163, 60164)**

- Wide lens with full frame wrap-around design for extra coverage without compromising peripheral vision
- Rigid full frame protects lens from edge chips and cracks
- Wide temple stems for additional side protection
- Includes soft carrying pouch; doubles as a cleaning cloth

“In expanding our line of eye protection, we wanted to develop a simple, easy-to-choose lineup that would give all trade professionals the best value in high performance and quality,” says Shantanu Deshpande, senior product manager at Klein Tools. “Our new safety glasses offer top-tier safety on and off the jobsite, giving tradespeople the option to choose the style that works for them, at a competitive price while still meeting the Klein Tools standard of quality.”
