## Klein Tools'® New Canvas Buckets Add Drawstring for Secure Hold

**August 4, 2020 (Lincolnshire, Ill.)** – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, introduces new additions to its line of canvas buckets, with drawstring close tops to keep tools inside and double-locking carabiners to securely hoist the buckets.

### Load Rated Drawstring Close Buckets, 17-Inch (Cat. No. 5114DSC), 22-Inch (Cat. No. 5114DSC22)

- 100-lb (45.4kg) Maximum Load Rating
- Drawstring close top allows for easy opening and closing
- Made of heavy-duty No. 4 canvas
- Double-locking carabiner for securely hoisting the bucket
- Interior D-rings for tether connection
- Reinforced bottoms for added durability
- Web handles extend down the sides for additional strength
- Swivel snap further secures the contents
- Assembled in USA of U.S. and imported components

“Klein Tools' newest lineman buckets were designed to give trade professionals the quality carrying strength they've come to expect from Klein's canvas buckets, with an additional drawstring for keeping tools securely in the bucket,” says Tom Helma, associate product manager at Klein Tools. “The drawstring is easy to open and close for quick access to tools, but it is secure, giving users a piece of mind that their tools won't fall out as they move around the jobsite.”
