Klein Tools® Adds Neck and Face Warming Bands to Line of Winter Products

Dec. 10, 2020 (Lincolnshire, Ill.) – Klein Tools (www.kleintools.com), for professionals since 1857, introduces two new additions to its line of winter gear, both designed to keep trade professionals warm on the jobsite all winter while providing versatility in how they can be worn.

Neck and Face Warming Band, Black (Cat. No. 60455)

- Has two layers of fabric for protection
- Moisture wicking knit fabric on outside layer has anti-odor treatment for freshness
- Fleece lined on the inside layer for extra warmth in cold weather
- Secure fit and won't unravel with sewn elastic edges
- One size fits most
- Reflective accents
- 20-inches long

Neck and Face Warming Half-Band, Black (Cat. No. 60466)

- Top portion of warming band covers the face and has two layers of protection
- Moisture wicking knit fabric on top portion has anti-odor treatment for freshness
- 270-gram fleece on bottom portion for warmth in cold conditions
- Secure fit and won't unravel with sewn elastic edge
- One size fits most
- Reflective accents
- Machine washable
- 12-inches long

“In designing these two warming bands, we wanted to create products that are versatile and feature double layers,” says Craig Fransen, senior product manager at Klein Tools. “The warming bands join our line of winter gear specifically designed so professionals will be able to stay warm and comfortable.”
