## Klein Tools® Adds to Line of Cooling Products to Keep Pros Safe This Summer

**May 13, 2021 (Lincolnshire, Ill.)** – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, introduces new additions to its line of cooling gear to keep trade professionals cool and comfortable on the jobsite all summer long.

### **Cooling Headband, Blue, 2-Pack (Cat. No. 60487)**

- Stays soft and comfortable when wet or dry
- Reversible and lightweight material
- Activate/ Reactivate: Soak with water, wring out excess water, snap 3-5 times
- Comfortable to wear under hats, helmets or alone
- Universal size fits most
- Reversible and machine washable
- Available in Black (2-Pack, [Cat. No. 60182](#))

### **Cooling PVA Towel, High-Visibility Yellow, 2-Pack (Cat. No. 60486)**

- Advanced PVA cooling technology
- Activates quickly; under one minute
- Feels cooler than ambient air temperature
- Stays cool for hours; easily reactivates for multi-use
- To activate or re-use, wet the towel and gently wring out the excess water
- Hand wash or machine washable
- 2-Pack come in Resealable Bag with Carabiner
- Available in Blue (2-Pack, [Cat. No. 60230](#) & Single-Pack, [Cat. No. 60090](#))
- Available in Gray (Single-Pack, [Cat. No. 60093](#))

“As hotter temperatures during the summer months approach, it is essential to workers’ safety that they maintain a cool body temperature,” says Craig Fransen, senior product manager at Klein Tools. “These new additions to Klein Tools’ line of cooling gear are designed to keep temperatures down and keep professionals feeling cool for hours. The products are all machine washable, and can be easily reactivated on the jobsite, meaning they can be easily used again and again.”
