Klein Tools® Introduces New Alligator Clip Test Leads Compatible with Wide Range of Meters

May 26, 2022 (Lincolnshire, Ill.) – Klein Tools (www.kleintools.com), for professionals since 1857, introduces new Heavy-Duty Alligator Clip Test Leads that are perfect for insulation resistance testing and compatible with most banana-type inputs.

Heavy-Duty Alligator Clip Test Leads

- Standard banana-type inputs compatible with most multimeters and clamp meters
- Heavy-duty alligator clips attach to wires and other conductors
- Perfect for insulation resistance testing
- Includes 1-Pair of universal right-angle test leads with banana plug to heavy-duty alligator clip
- 18 AWG double insulated wire
- CAT III 1000V/CAT IV 600V safety rating
- Available in [3-Foot \(Cat. No. 69381\)](#) or [10-Foot \(Cat. No. 69367\)](#) lengths

“Providing accessories that are versatile and can work with a range of meters is always important during our design process,” says Sabrina Kalsi, product manager at Klein Tools. “These new Heavy-Duty Alligator Clip Test Leads come in both 3-Foot and 10-Foot options, and have standard-banana-type inputs, meaning that they are compatible with most multimeters and clamp meters on the market.”
